Hello,

My name is Yuval Levental. For various reasons, I decided to leave negative reviews of this professor, starting from October 2019 <https://www.koofers.com/michigan-state-university-msu/instructors/akbulut-158182/> This is despite the fact that I never actually had a class with him. However, I received a cease and desist letter from his lawyer asking me to remove the fake reviews, so they should be removed.

Yuval Levental
